

MORPETH BID AREA

After several iterations of the proposal and following extensive consultation with business and stakeholders, the proposed BID area has is now focused on those business that fall within the town centre only, whereas previously it encompassed retail and office areas on the edge of the town. The boundary of the BID area extends from the top of Newgate Street in the north to the Railway Station in the south and from the riverside at High Stanners in the West to Low Stanners in the East.

STREETS INCLUDED:

(Levy only applies to rateable business premises in these areas)
